p001_s01 | P1 S1: The Rug River - Nova beeped beside the blue

STORY

Nova beeped beside the blue rug river, beep-beep, small and slow.

ASSETS

fixed_robot, workbench, logic_kit

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

opening scene

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p001_s02 | P1 S2: The Rug River - Maya tapped her pencil twice

STORY

Maya tapped her pencil twice

ASSETS

maya, workbench, logic_kit

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

action/detail scene

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p001_s03 | P1 S3: The Rug River - I know a bridge can

STORY

I know a bridge can help you go.

ASSETS

maya, fixed_robot, workbench, logic_kit

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

outcome scene

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p002_s01 | P2 S1: Measure First - Engineer Alex smiled and said

STORY

Engineer Alex smiled and said, First measure, then we play.

ASSETS

alex_adult, workbench

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

object insert

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p002_s02 | P2 S2: Measure First - Maya marked the blueprint lines

STORY

Maya marked the blueprint lines

ASSETS

maya, blueprint

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

object-use reaction

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p002_s03 | P2 S3: Measure First - planned the bridge the clever

STORY

planned the bridge the clever way.

ASSETS

maya, alex_adult, blueprint

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

object-use reaction

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

Stencil Boards 2

One card per scene. Generate or paste each stencil separately, then run the matching visual verifier.

p003_s01 | P3 S1: The Wobble Test - Click went the blocks then

STORY

Click went the blocks, then clack, then flop!

ASSETS

fixed_robot, logic_kit, blueprint

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

comic panel 1

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p003_s02 | P3 S2: The Wobble Test - The bridge leaned left and

STORY

The bridge leaned left and right.

ASSETS

fixed_robot, blueprint

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

comic panel 2

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p003_s03 | P3 S3: The Wobble Test - Maya grinned and tried again

STORY

Maya grinned and tried again

ASSETS

maya, logic_kit, blueprint

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

comic panel 3

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p003_s04 | P3 S4: The Wobble Test - Almost means I'm learning right

STORY

Almost means I'm learning right.

ASSETS

maya, fixed_robot, alex_adult, logic_kit, blueprint

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

comic panel 4

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p004_s01 | P4 S1: The Triangle Trick - Alex drew three sturdy sides

STORY

Alex drew three sturdy sides and Maya's eyes grew wide.

ASSETS

maya, alex_adult, blueprint, caliper, logic_kit

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

opening scene

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

p004_s02 | P4 S2: The Triangle Trick - Triangles catch the wobbles fast

STORY

Triangles catch the wobbles fast and tuck the strength inside.

ASSETS

maya, alex_adult, blueprint, caliper, logic_kit

STENCIL

show only this scene's required beat; keep character and recurring object silhouettes consistent; make the focal action readable before color

COMPOSITION

outcome scene

VERIFIER

Upload the stencil result and ask ChatGPT UI to check silhouettes, beat readability, and continuity.

Stencil Boards 3
