

Final Color Boards 1

One card per scene. Color only after the stencil is approved and the consistency sheets are attached.

Temporary Chat preferred

p001_s01 | P1 S1: The Rug River - Nova beeped beside the blue

STORY

Nova beeped beside the blue rug river, beep-beep, small and slow.

ASSETS

fixed_robot, workbench, logic_kit

COLOR

Warm lamp light, blue rug river, orange vest, teal robot eyes.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

establishing shot for the page beat; base camera: low child-height wide shot from Nova's side of the rug, making the tiny gap feel like a grand river

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p001_s02 | P1 S2: The Rug River - Maya tapped her pencil twice

STORY

Maya tapped her pencil twice

ASSETS

maya, workbench, logic_kit

COLOR

Warm lamp light, blue rug river, orange vest, teal robot eyes.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

closer action/detail shot between opener and outcome; base camera: low child-height wide shot from Nova's side of the rug, making the tiny gap feel like a grand river

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p001_s03 | P1 S3: The Rug River - I know a bridge can

STORY

I know a bridge can help you go.

ASSETS

maya, fixed_robot, workbench, logic_kit

COLOR

Warm lamp light, blue rug river, orange vest, teal robot eyes.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

closing reaction or outcome shot, visibly different from the opener; base camera: low child-height wide shot from Nova's side of the rug, making the tiny gap feel like a grand river

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p002_s01 | P2 S1: Measure First - Engineer Alex smiled and said

STORY

Engineer Alex smiled and said, First measure, then we play.

ASSETS

alex_adult, workbench

COLOR

Cream paper, blueprint blue, brass caliper, soft amber table light.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

object-focused establishing insert; top-down or macro detail; base camera: overhead table shot with Maya's hands, Alex's caliper, and the first triangle bridge sketch

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p002_s02 | P2 S2: Measure First - Maya marked the blueprint lines

STORY

Maya marked the blueprint lines

ASSETS

maya, blueprint

COLOR

Cream paper, blueprint blue, brass caliper, soft amber table light.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

character reaction or usage angle tied to the object; base camera: overhead table shot with Maya's hands, Alex's caliper, and the first triangle bridge sketch

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p002_s03 | P2 S3: Measure First - planned the bridge the clever

STORY

planned the bridge the clever way.

ASSETS

maya, alex_adult, blueprint

COLOR

Cream paper, blueprint blue, brass caliper, soft amber table light.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

character reaction or usage angle tied to the object; base camera: overhead table shot with Maya's hands, Alex's caliper, and the first triangle bridge sketch

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

Final Color Boards 2

One card per scene. Color only after the stencil is approved and the consistency sheets are attached.

Temporary Chat preferred

p003_s01 | P3 S1: The Wobble Test - Click went the blocks then

STORY

Click went the blocks, then clack, then flop!

ASSETS

fixed_robot, logic_kit, blueprint

COLOR

Energetic motion lines, playful sound words, no scary crash.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

comic panel 1 of 4; keep a distinct beat within this sequence; base camera: three comic panels: build, wobble, gentle flop with Nova safe and surprised

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p003_s02 | P3 S2: The Wobble Test - The bridge leaned left and

STORY

The bridge leaned left and right.

ASSETS

fixed_robot, blueprint

COLOR

Energetic motion lines, playful sound words, no scary crash.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

comic panel 2 of 4; keep a distinct beat within this sequence; base camera: three comic panels: build, wobble, gentle flop with Nova safe and surprised

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p003_s03 | P3 S3: The Wobble Test - Maya grinned and tried again

STORY

Maya grinned and tried again

ASSETS

maya, logic_kit, blueprint

COLOR

Energetic motion lines, playful sound words, no scary crash.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

comic panel 3 of 4; keep a distinct beat within this sequence; base camera: three comic panels: build, wobble, gentle flop with Nova safe and surprised

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p003_s04 | P3 S4: The Wobble Test - Almost means I'm learning right

STORY

Almost means I'm learning right.

ASSETS

maya, fixed_robot, alex_adult, logic_kit, blueprint

COLOR

Energetic motion lines, playful sound words, no scary crash.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

comic panel 4 of 4; keep a distinct beat within this sequence; base camera: three comic panels: build, wobble, gentle flop with Nova safe and surprised

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p004_s01 | P4 S1: The Triangle Trick - Alex drew three sturdy sides

STORY

Alex drew three sturdy sides and Maya's eyes grew wide.

ASSETS

maya, alex_adult, blueprint, caliper, logic_kit

COLOR

Golden triangle pieces, blue blueprint shadows, bright focus highlight.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

establishing shot for the page beat; base camera: dramatic macro close-up through a triangle frame, Maya's focused eye visible behind the structure

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p004_s02 | P4 S2: The Triangle Trick - Triangles catch the wobbles fast

STORY

Triangles catch the wobbles fast and tuck the strength inside.

ASSETS

maya, alex_adult, blueprint, caliper, logic_kit

COLOR

Golden triangle pieces, blue blueprint shadows, bright focus highlight.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

closing reaction or outcome shot, visibly different from the opener; base camera: dramatic macro close-up through a triangle frame, Maya's focused eye visible behind the structure

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

Final Color Boards 3

One card per scene. Color only after the stencil is approved and the consistency sheets are attached.

Temporary Chat preferred

p005_s01 | P5 S1: Across! - Nova marched across the bridge

STORY

Nova marched across the bridge, beep-boop, bright and bold.

ASSETS

fixed_robot, blueprint

COLOR

Confetti-like workshop light, glowing teal robot eyes, satisfying final warmth.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

establishing shot for the page beat; base camera: celebratory wide hero shot from low angle, Nova crossing the bridge while Maya cheers

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p005_s02 | P5 S2: Across! - Maya held her blueprint high

STORY

Maya held her blueprint high

ASSETS

maya, blueprint

COLOR

Confetti-like workshop light, glowing teal robot eyes, satisfying final warmth.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

closer action/detail shot between opener and outcome; base camera: celebratory wide hero shot from low angle, Nova crossing the bridge while Maya cheers

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.

p005_s03 | P5 S3: Across! - I built it from my

STORY

I built it from my plan!

ASSETS

maya, fixed_robot, alex_adult, blueprint, logic_kit, workbench

COLOR

Confetti-like workshop light, glowing teal robot eyes, satisfying final warmth.; preserve approved stencil composition; keep palette consistent with the book while avoiding repetition

CAMERA

closing reaction or outcome shot, visibly different from the opener; base camera: celebratory wide hero shot from low angle, Nova crossing the bridge while Maya cheers

VERIFIER

Compare final color to approved stencil, character sheet, object sheet, and story slice.
