Asset 03: Pico

pico_bot | tiny helper robot character

Pico

Tiny Helper Robot Character

Locked Traits

- small rounded helper robot
- silver body with soft square corners
- teal circular eyes
- tiny antenna with glowing teal dot
- stubby rubber feet
- small fan badge on chest

Sheet Notes

Show Pico front, side, floating alert pose, and happy pose. Keep Pico shorter than Zoya's knee.

Locked Traits

- small rounded helper robot
- silver body with soft square corners
- teal circular eyes
- tiny antenna with glowing teal dot
- stubby rubber feet
- small fan badge on chest

Prompt Notes

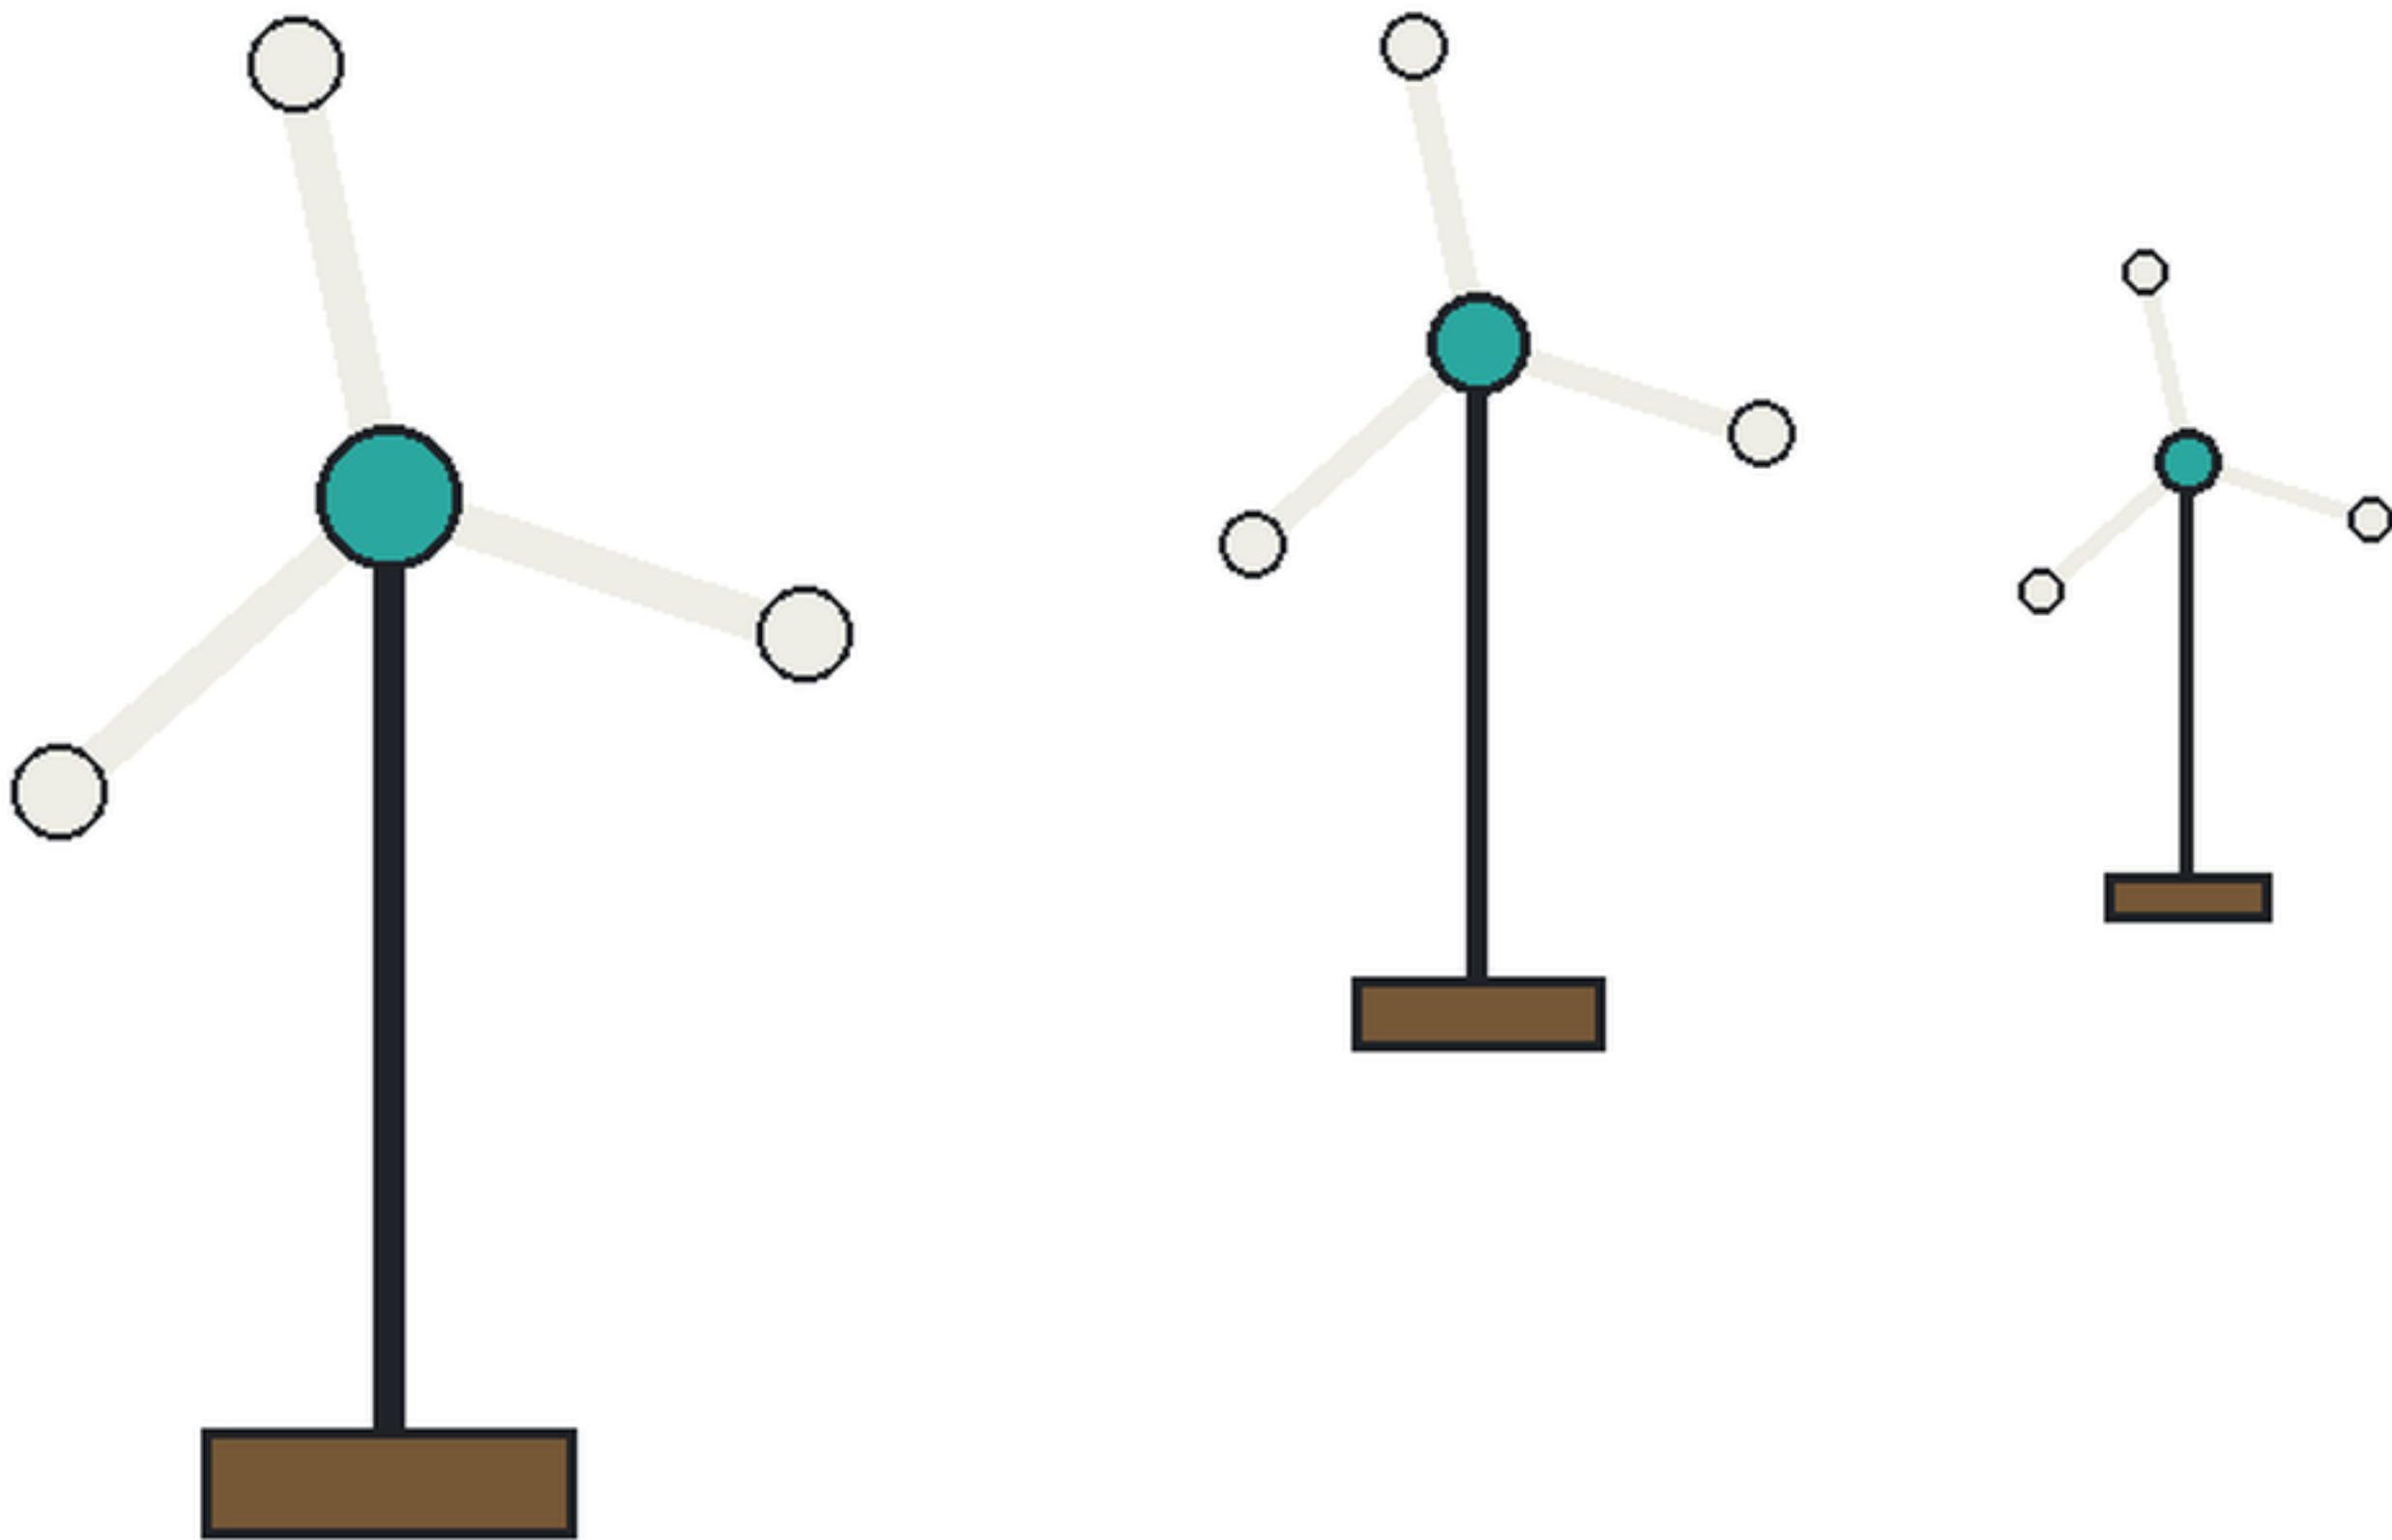

Show Pico front, side, floating alert pose, and happy pose. Keep Pico shorter than Zoya's knee.

Asset 04: Pocket Wind Turbine

wind_turbine | consistent object

Pocket Wind Turbine

Consistent Asset

Locked Traits

- small white three-blade wind turbine
- teal circular hub
- slender grey tower
- wooden base plate
- triangle brace holes on the tower
- kid-safe rounded parts

Sheet Notes

Show front, side, three-quarter, top-down base, and the triangular brace detail. This is a high-priority spatial model.

Locked Traits

- small white three-blade wind turbine
- teal circular hub
- slender grey tower
- wooden base plate
- triangle brace holes on the tower
- kid-safe rounded parts

Prompt Notes

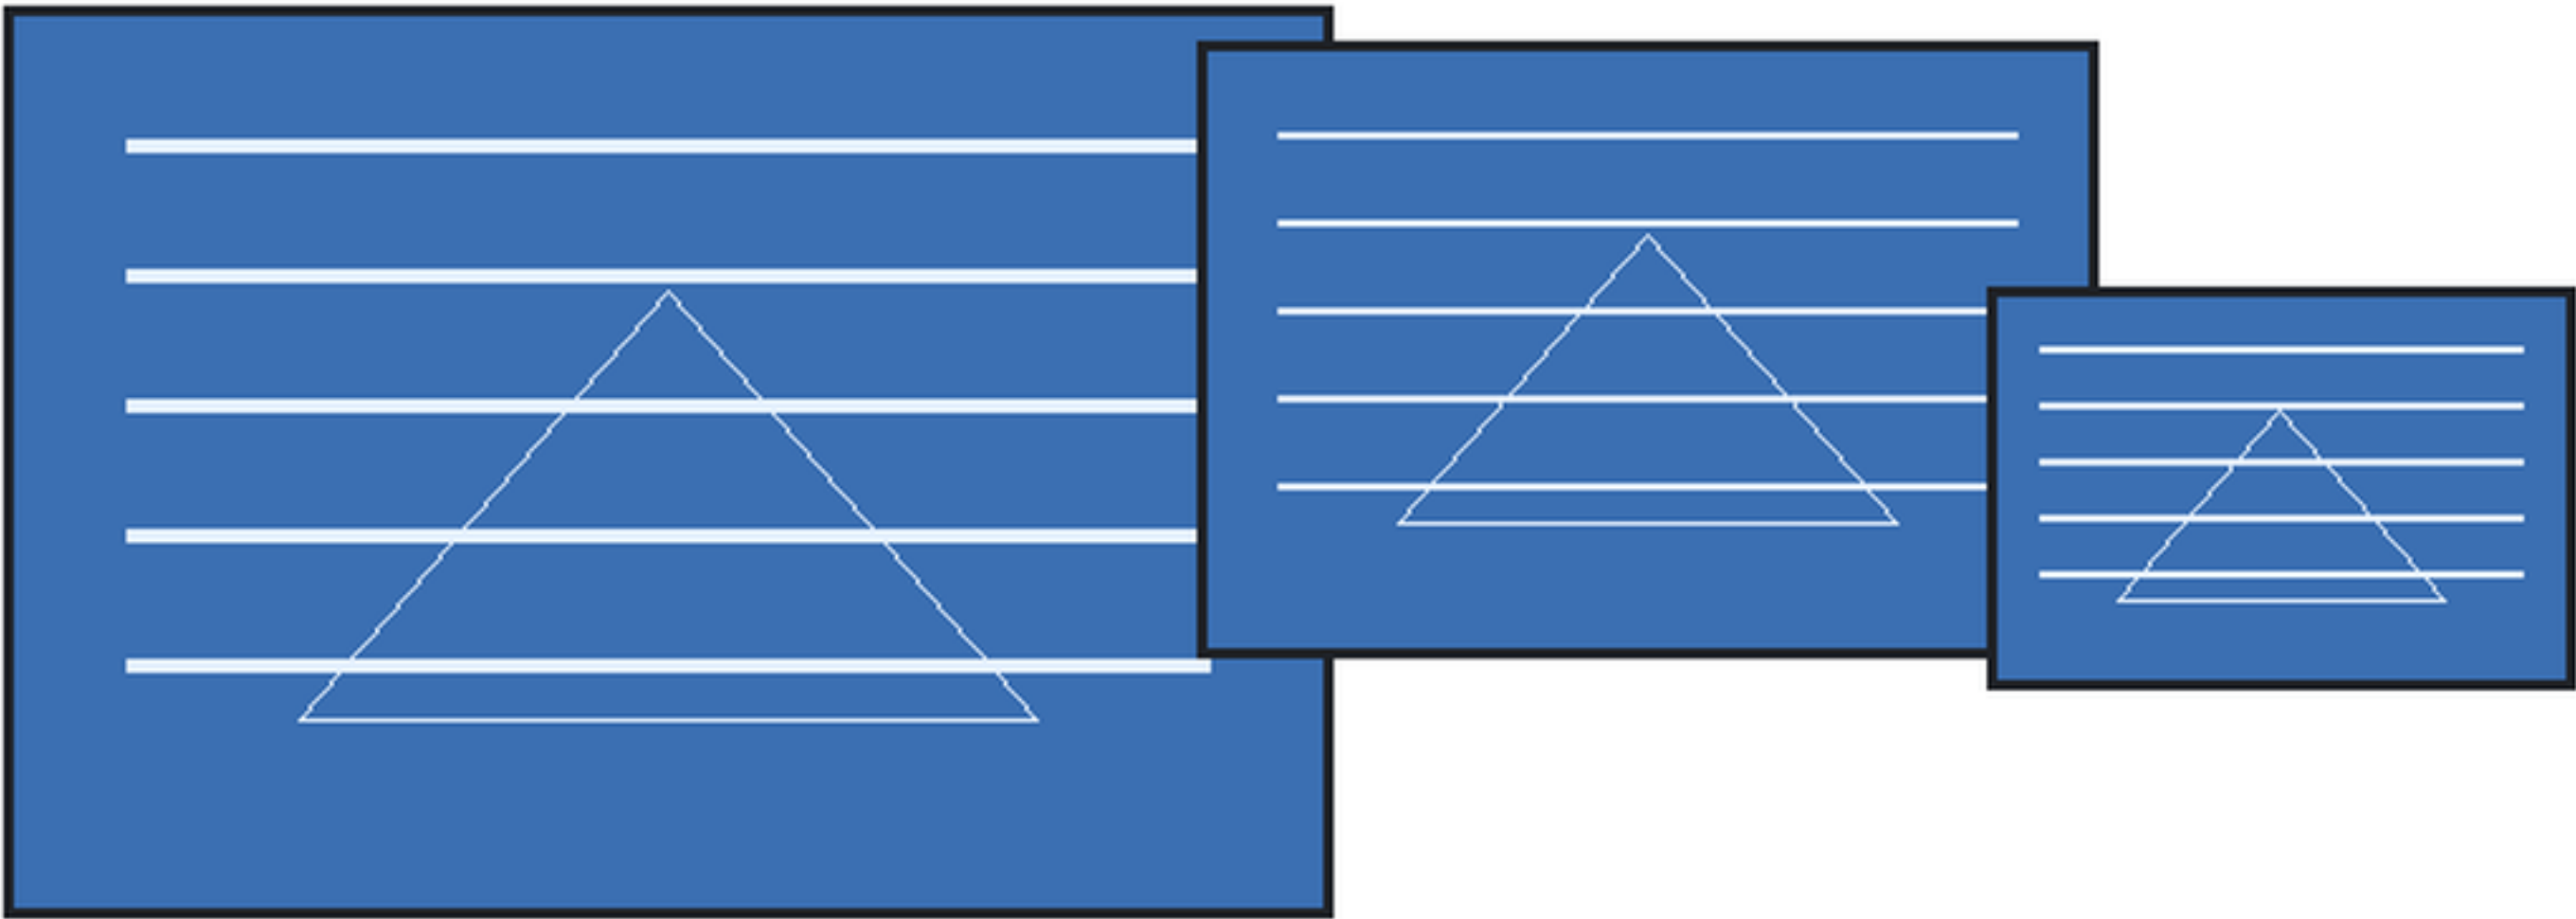

Show front, side, three-quarter, top-down base, and the triangular brace detail. This is a high-priority spatial model.

Asset 05: Star Blueprint

star_blueprint | consistent object

Star Blueprint

Consistent Asset

Locked Traits

- blue folded paper
- white turbine and triangle brace lines
- small yellow star sticker in the top corner
- rounded child-safe paper corners
- no readable random text

Sheet Notes

Keep the turbine diagram and yellow star sticker consistent.

Locked Traits

- blue folded paper
- white turbine and triangle brace lines
- small yellow star sticker in the top corner
- rounded child-safe paper corners
- no readable random text

Prompt Notes

Keep the turbine diagram and yellow star sticker consistent.

Asset 06: Red Tool Satchel

red_satchel | consistent object

Red Tool Satchel

Consistent Asset

Locked Traits

- deep red soft tool satchel
- rounded flap
- yellow circular button clasp
- short brown strap
- contains safe bolts, string, cups, and soft tools

Sheet Notes

Show closed, open, side view, and foreground prop view. This satchel can anchor perspective.

Locked Traits

- deep red soft tool satchel
- rounded flap
- yellow circular button clasp
- short brown strap
- contains safe bolts, string, cups, and soft tools

Prompt Notes

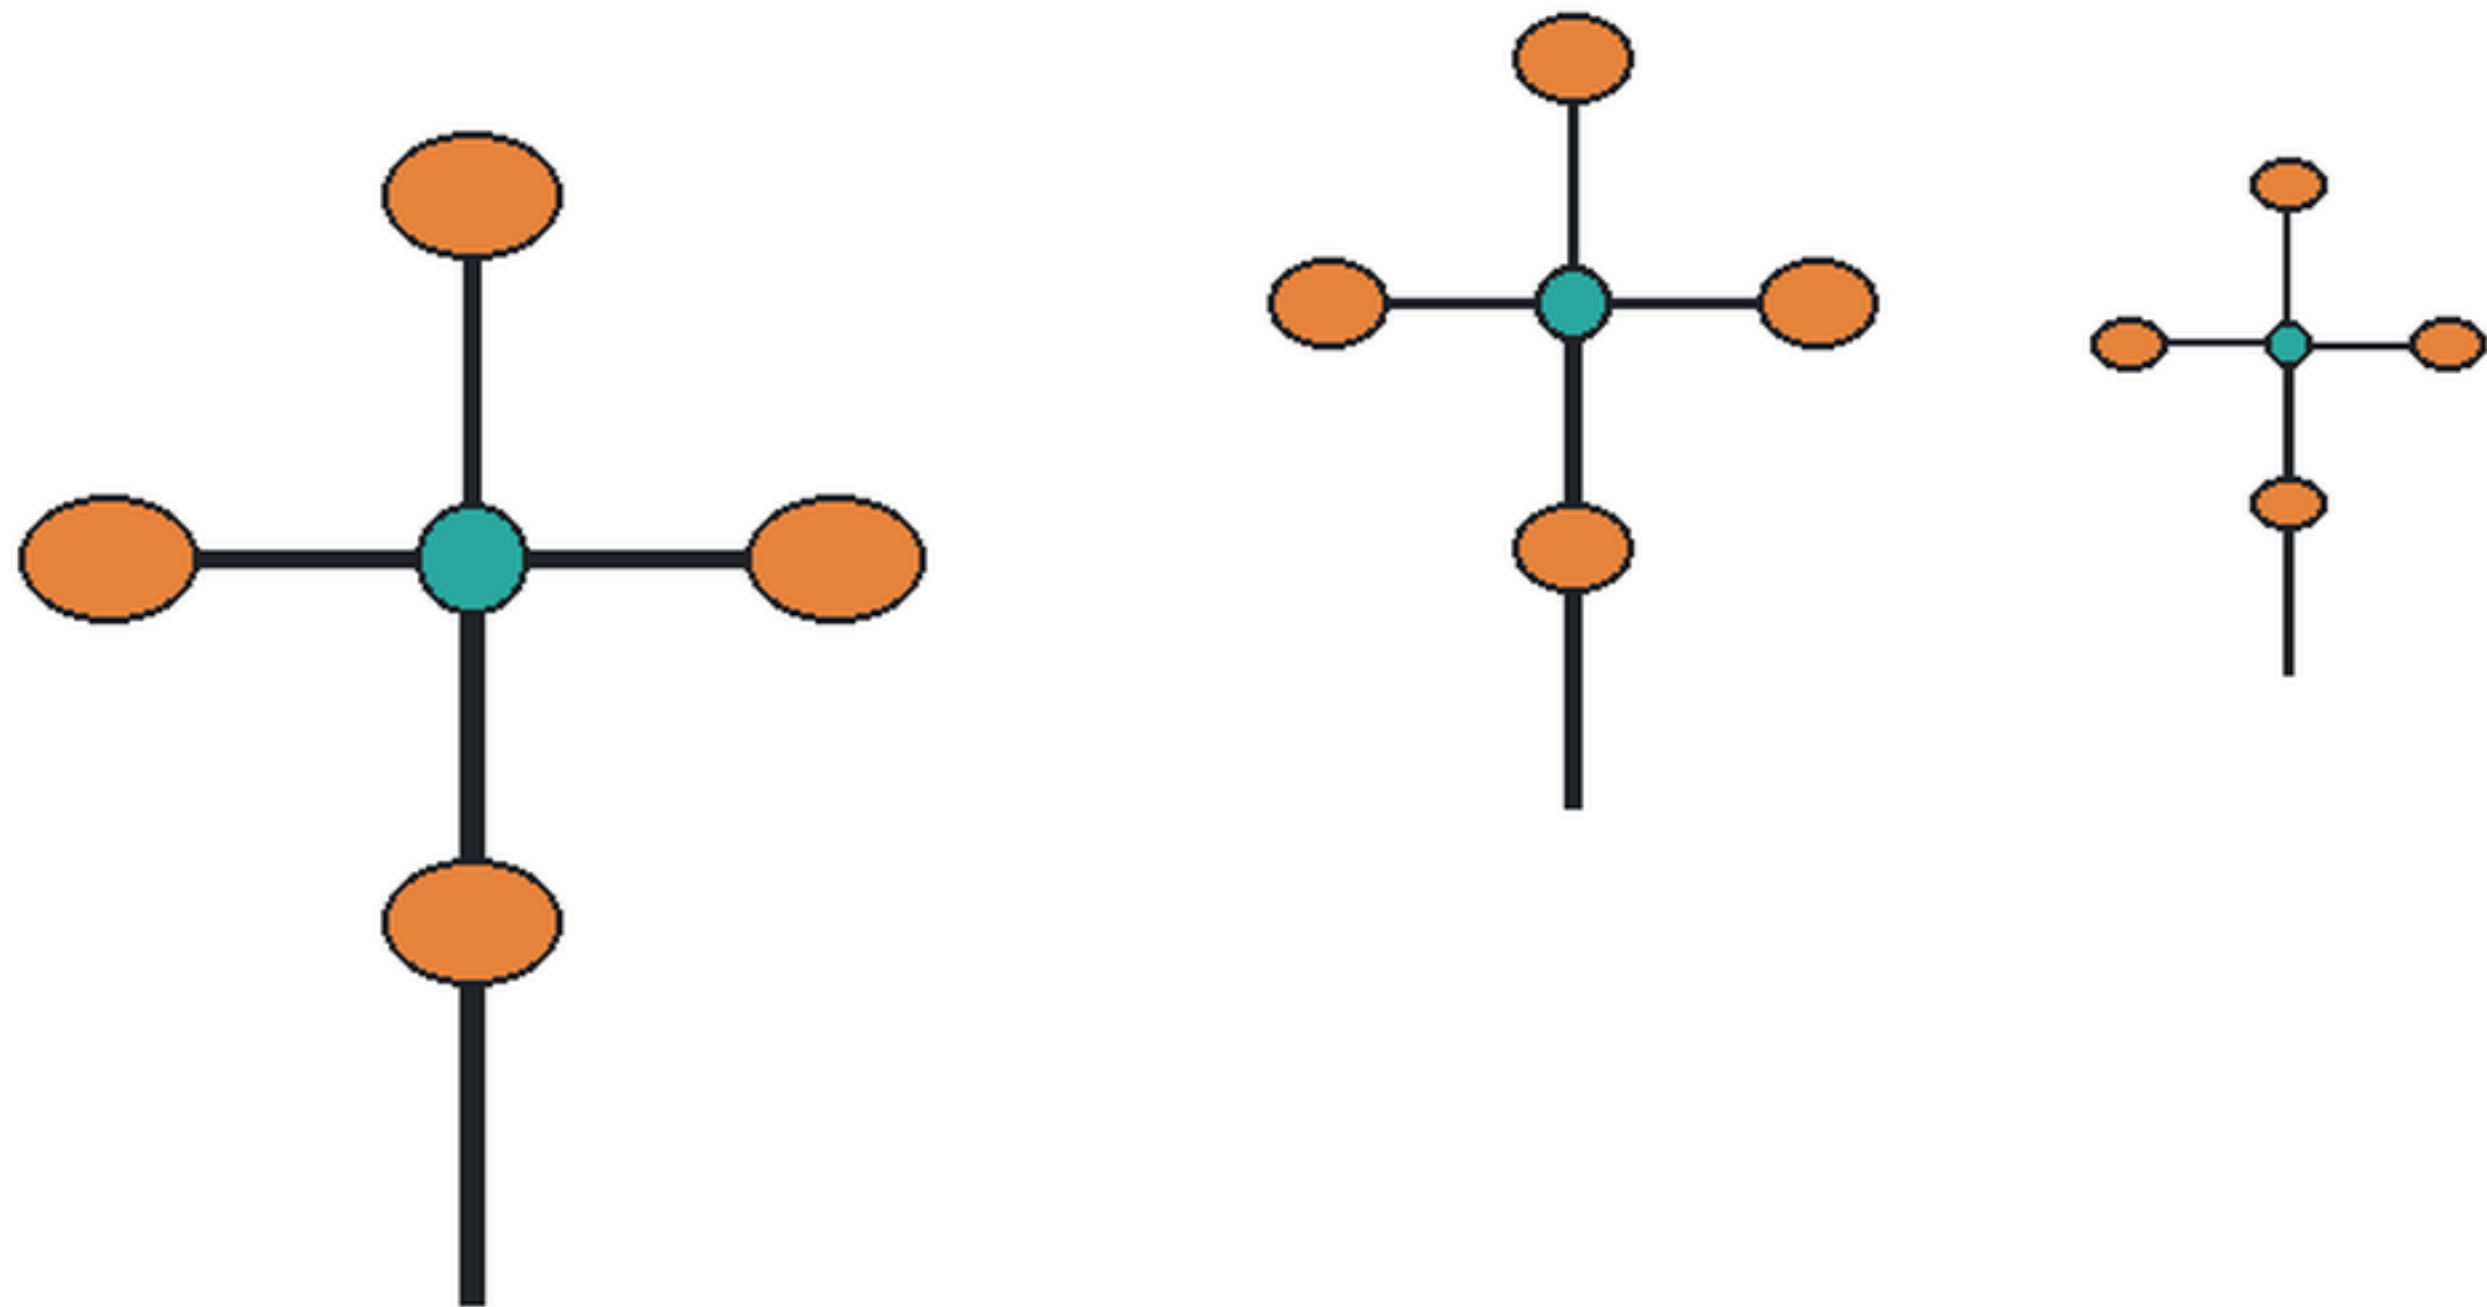

Show closed, open, side view, and foreground prop view. This satchel can anchor perspective.

Asset 07: Cup Wind Meter

wind_meter | consistent object

Cup Wind Meter

Consistent Asset

Locked Traits

- orange four-cup anemometer
- thin grey stand
- teal center hub
- small wooden base
- kid-safe rounded cups

Sheet Notes

Show it still, spinning, and top-down. The cup count must stay four.

Locked Traits

- orange four-cup anemometer
- thin grey stand
- teal center hub
- small wooden base
- kid-safe rounded cups

Prompt Notes

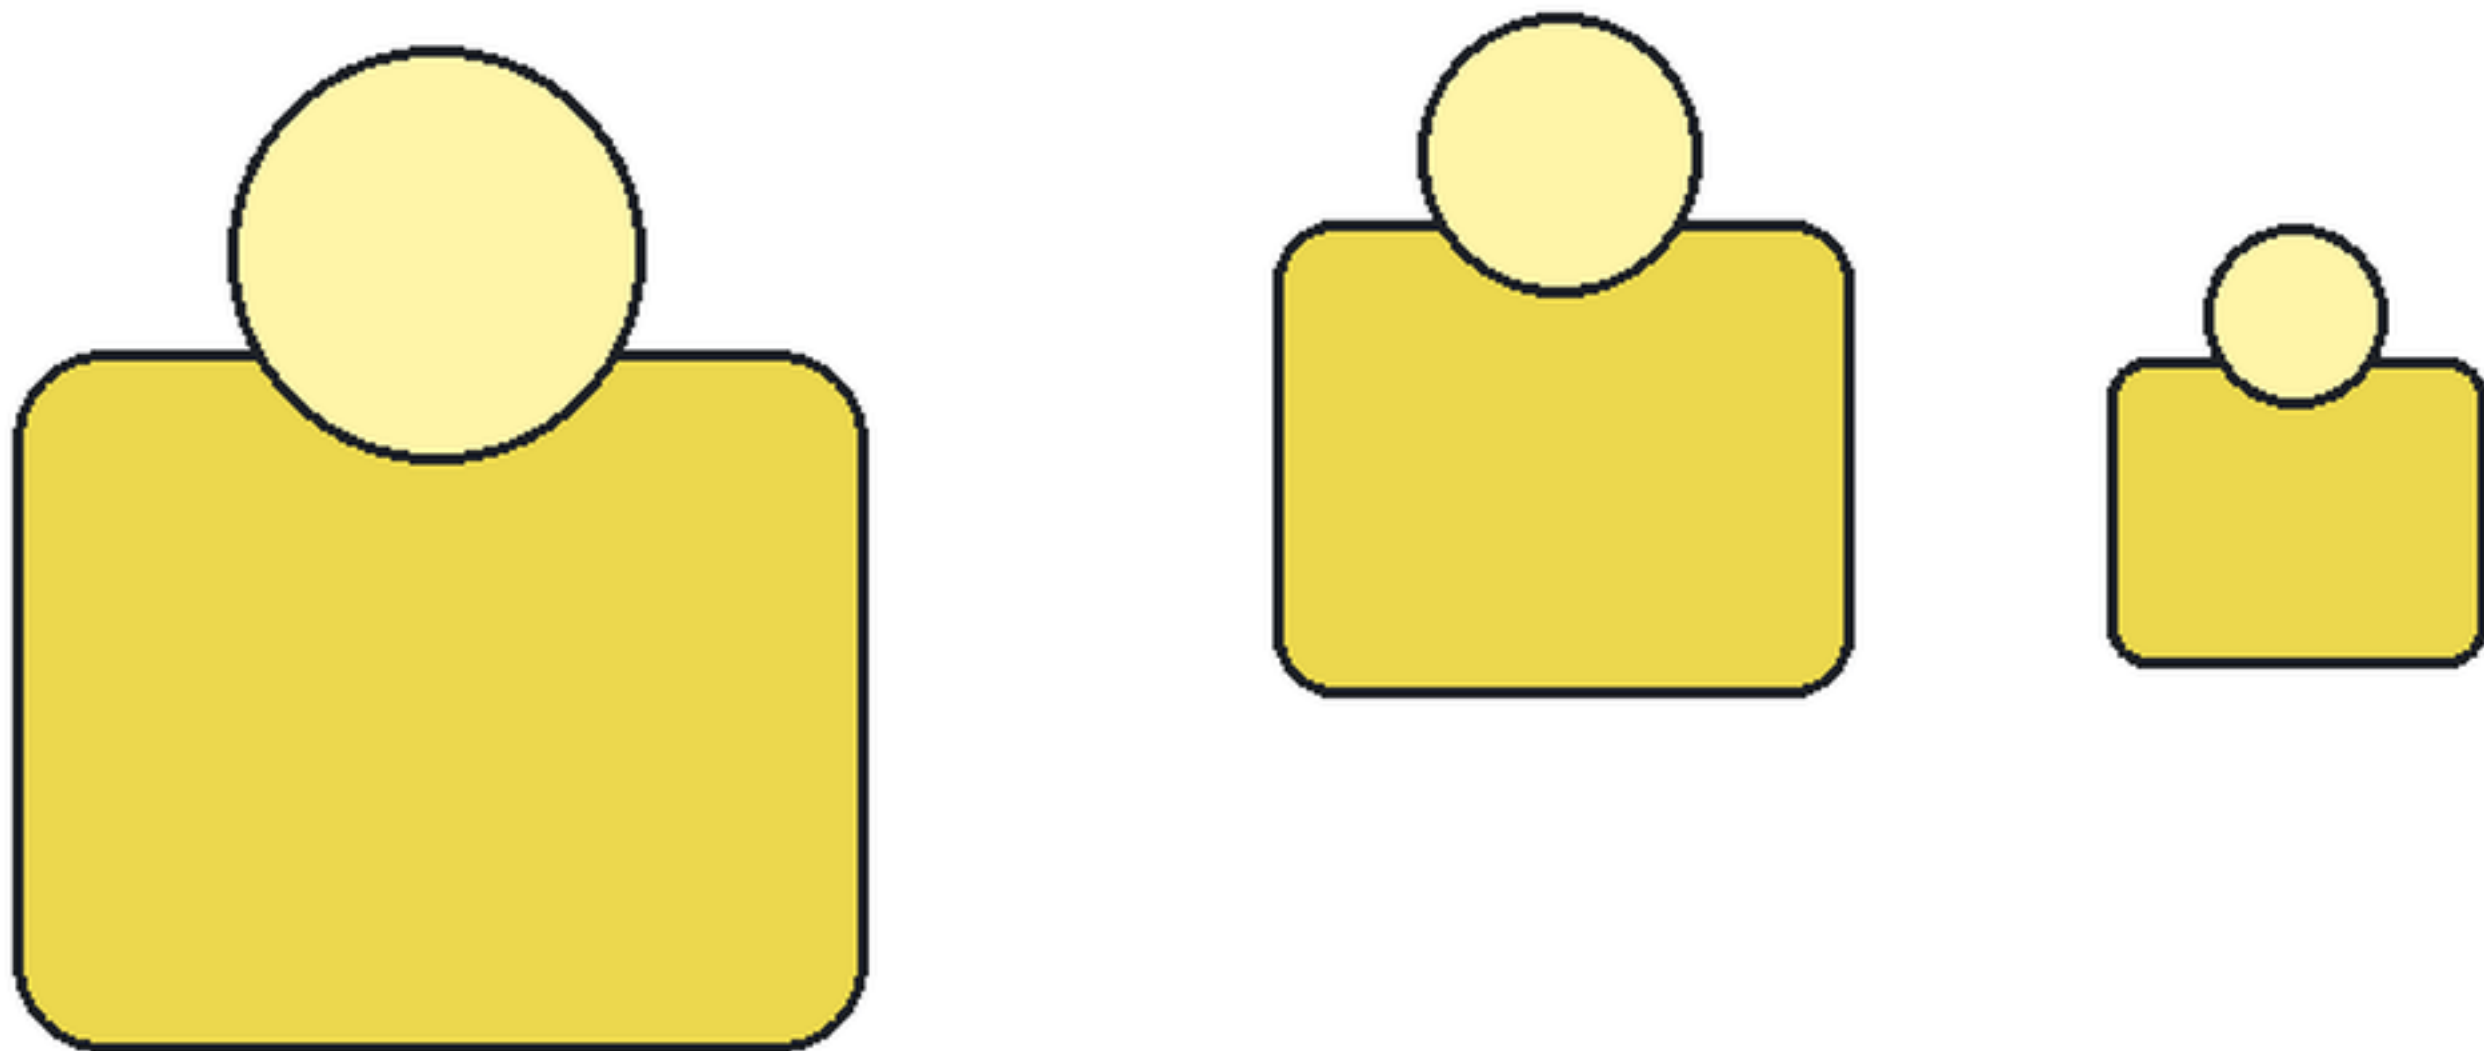

Show it still, spinning, and top-down. The cup count must stay four.

Asset 08: Yellow Garden Battery Box

solar_battery | consistent object

Yellow Garden Battery Box

Consistent Asset

Locked Traits

- small yellow battery box
- round glowing garden-light lens
- teal indicator dot
- soft rubber corners
- thin safe cable to the turbine

Sheet Notes

Show dim and glowing states without random labels.

Locked Traits

- small yellow battery box
- round glowing garden-light lens
- teal indicator dot
- soft rubber corners
- thin safe cable to the turbine

Prompt Notes

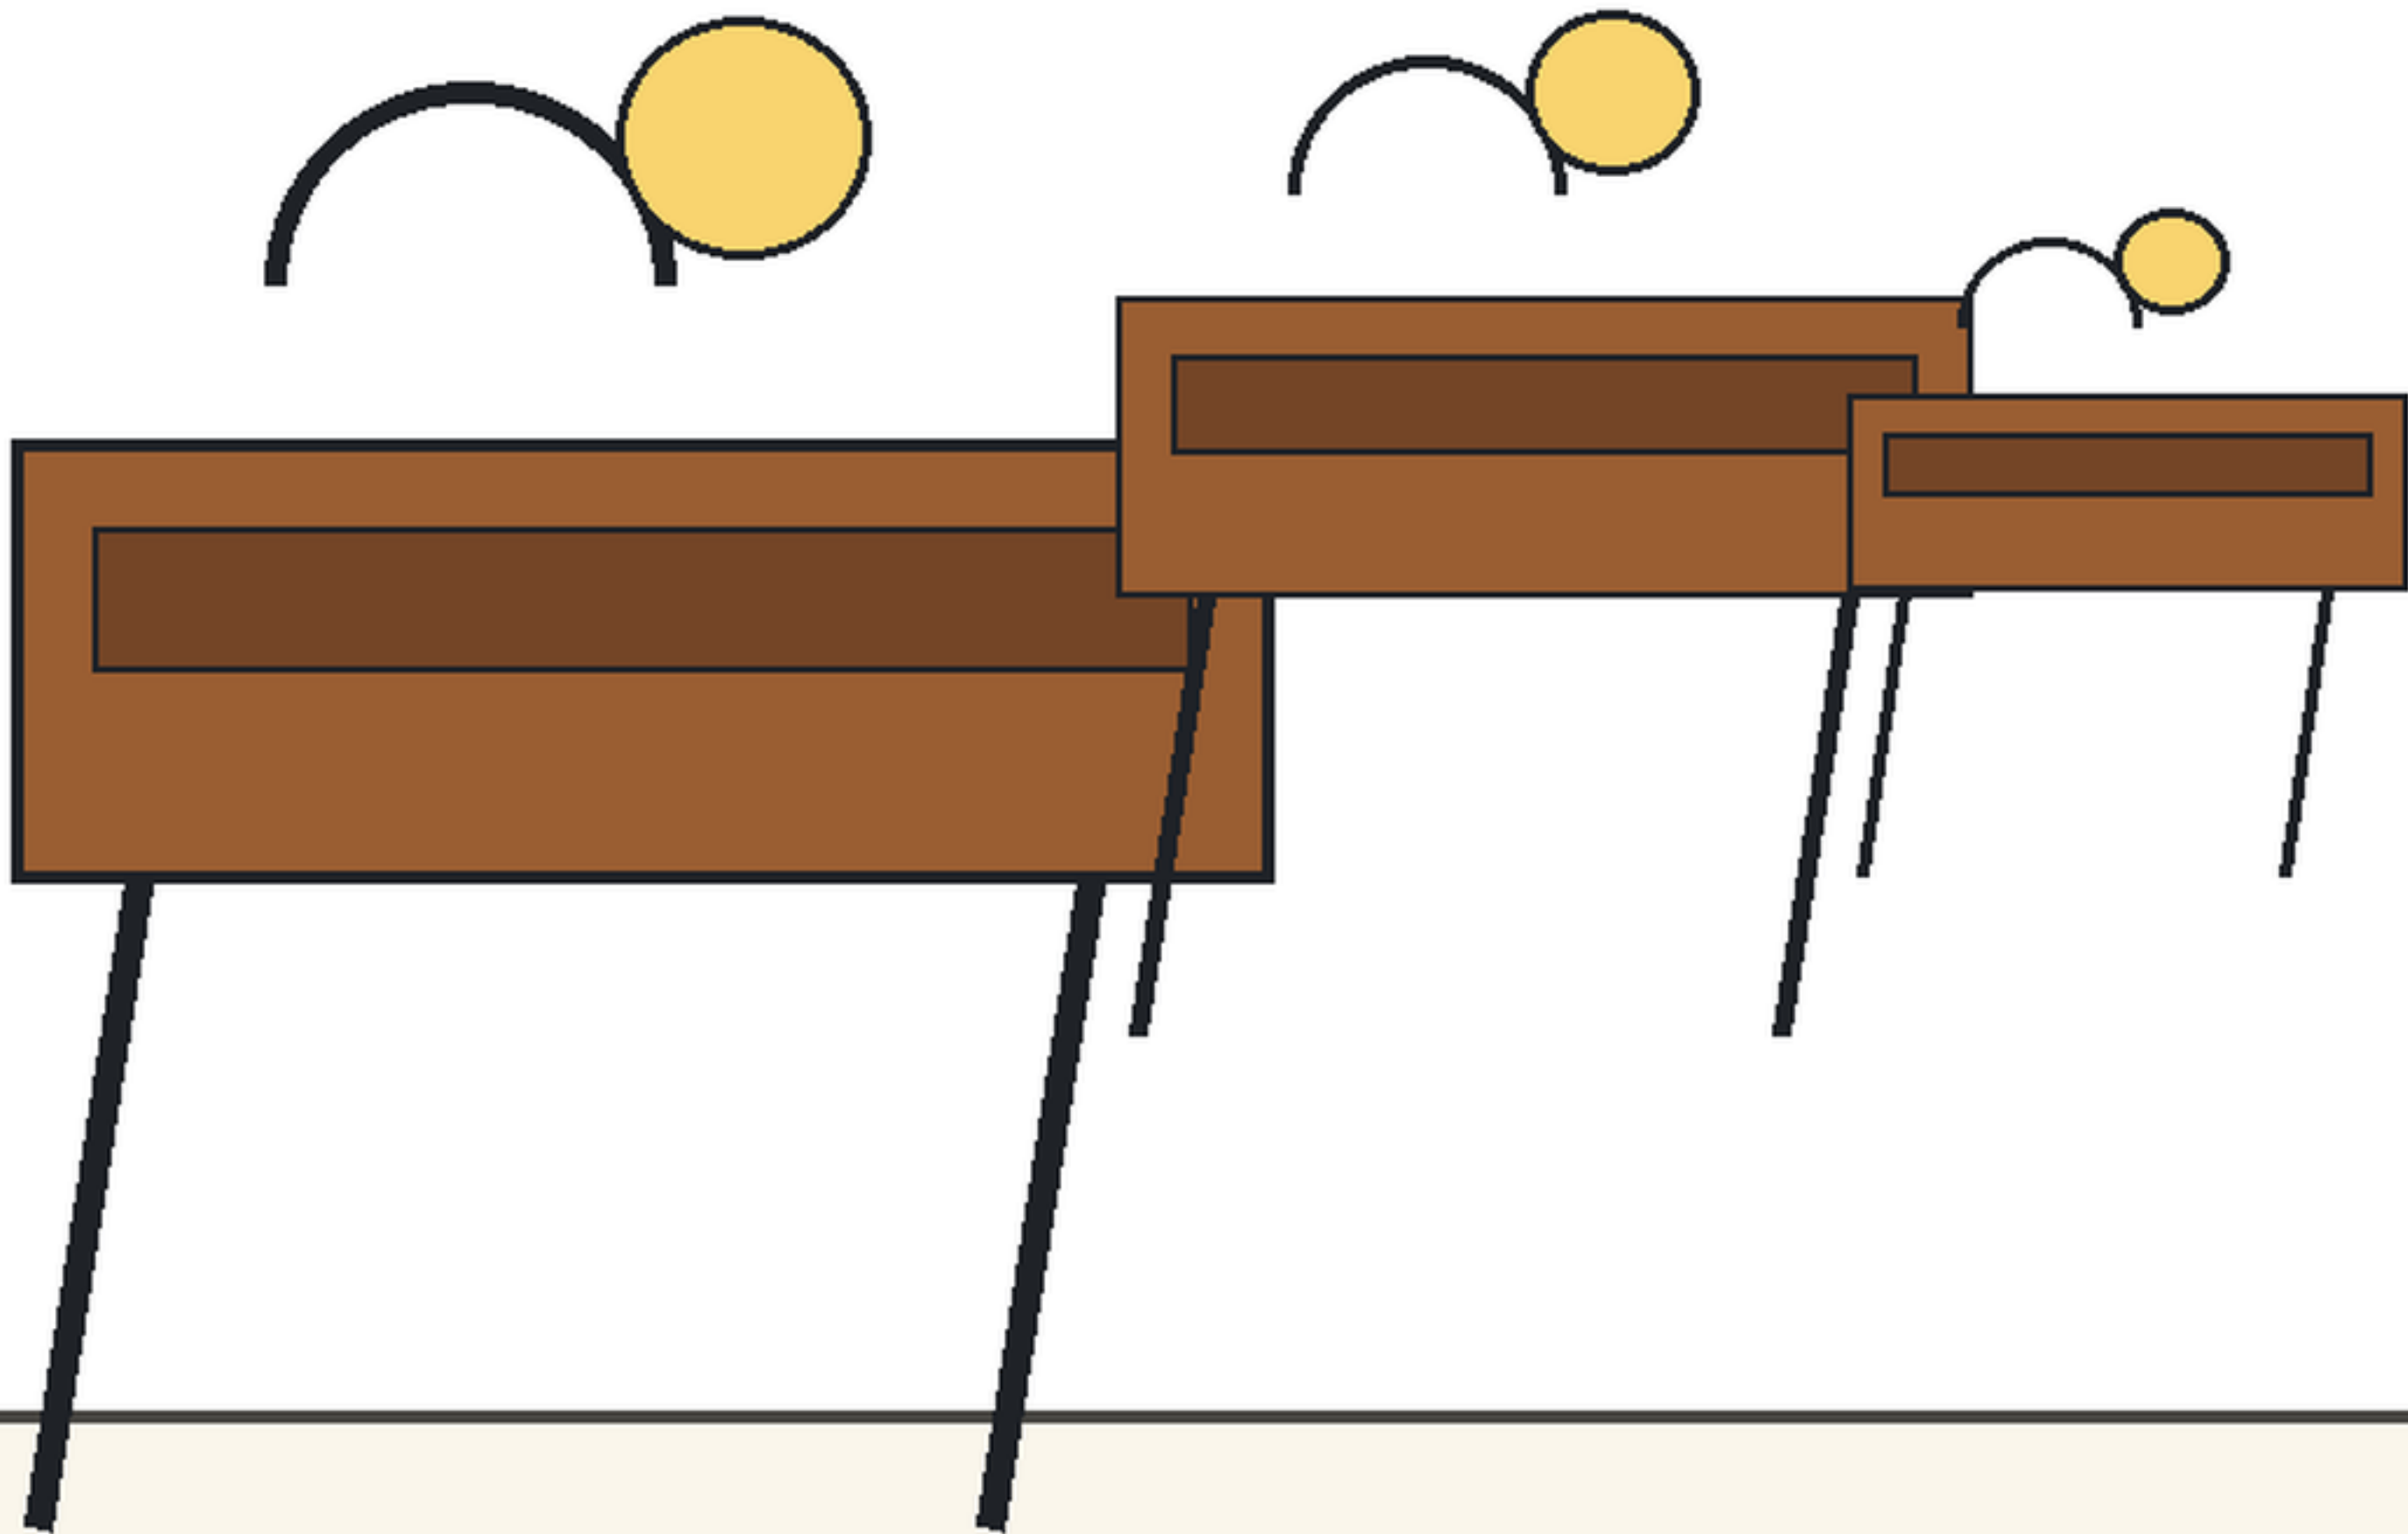

Show dim and glowing states without random labels.

Asset 09: Ara's Wooden Workbench

workbench | consistent object

Ara's Wooden Workbench

Consistent Asset

Locked Traits

- warm wooden workbench
- fixed lamp on the left
- tool board behind it
- blueprints pinned above
- right-side hook for the red satchel

Sheet Notes

Use this as the recurring workshop location anchor. The window and tool board should stay spatially stable.

Locked Traits

- warm wooden workbench
- fixed lamp on the left
- tool board behind it
- blueprints pinned above
- right-side hook for the red satchel

Prompt Notes

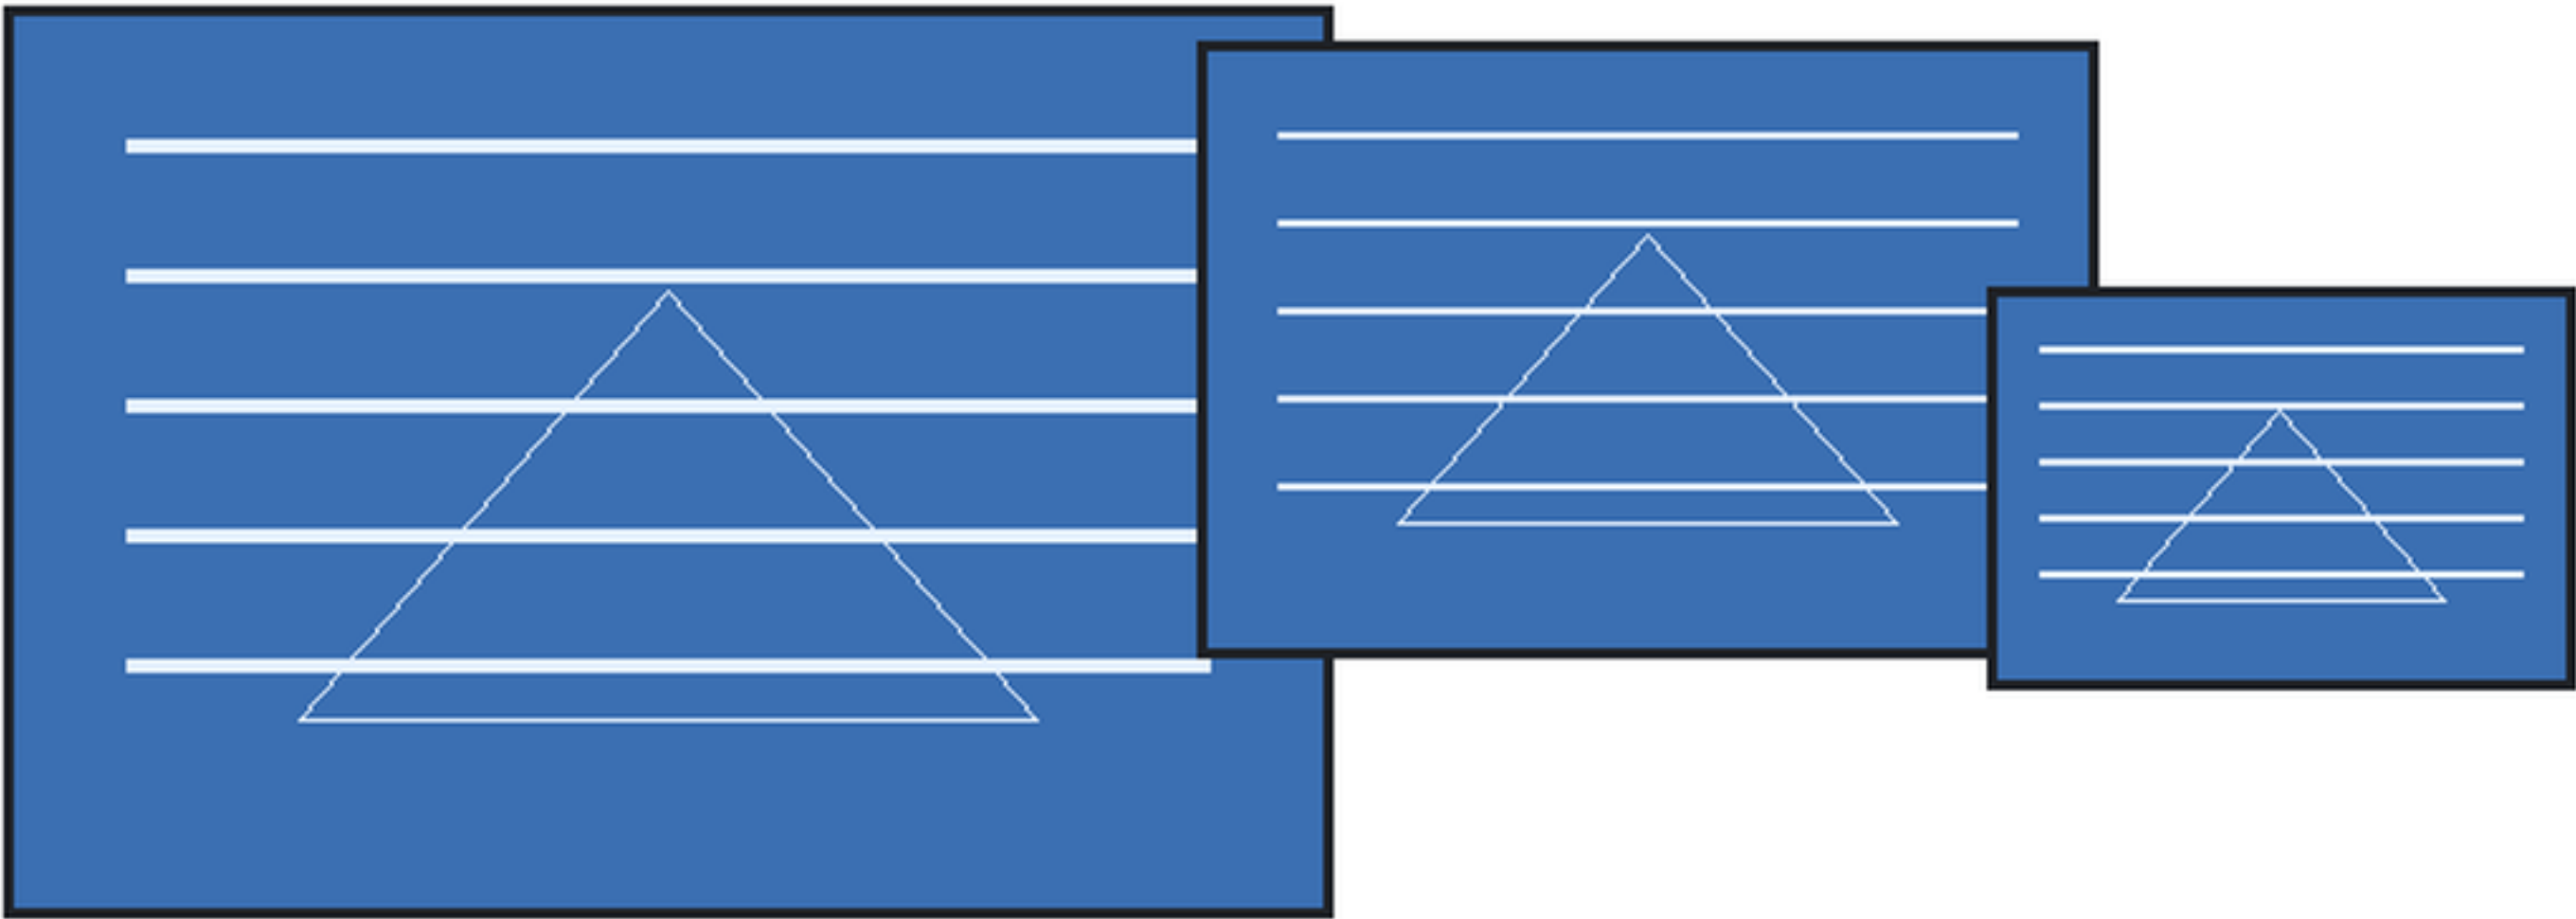

Use this as the recurring workshop location anchor. The window and tool board should stay spatially stable.

Asset 10: Rooftop Planters

roof_planters | consistent object

Rooftop Planters

Consistent Asset

Locked Traits

- two long green planters
- rounded clay-brown boxes
- leafy herbs and tiny yellow garden lights
- always sit near the rooftop railing
- left and right planter rows are separate but matching

Sheet Notes

Show planter row front, top-down, and glowing-light version. These anchor the rooftop background.

Locked Traits

- two long green planters
- rounded clay-brown boxes
- leafy herbs and tiny yellow garden lights
- always sit near the rooftop railing
- left and right planter rows are separate but matching

Prompt Notes

Show planter row front, top-down, and glowing-light version. These anchor the rooftop background.
